GOLF DAY 2026

LIVE AUCTION BOOKLET

5 AUGUST 2026

BID WITH PURPOSE.
SUPPORT CONSERVATION.
CELEBRATE EXCELLENCE.

Welcome

WELCOME TO THE SUCO GOLF DAY LIVE AUCTION

Welcome to the SUCO Golf Day 2026 Live Auction.

This year's auction brings together exceptional hunting experiences, luxury getaways, wildlife art and premium products, generously donated by our partners and supporters.

Every bid contributes towards strengthening relationships within our industry while supporting the objectives of SUCO Golf Day.

We thank each of our sponsors for their generosity and every bidder for making this event a success.

Enjoy the evening, bid generously and good luck!

HOW THE LIVE AUCTION WORKS

The highest recognised bid when the auctioneer closes the lot will be the successful bid.

Payment arrangements must be completed with the organisers after the auction.

Hunting packages are subject to the donor's terms, availability and applicable hunting regulations.

Accommodation bookings are subject to availability.

Unless otherwise stated, transport, permits and additional costs are for the purchaser's account.

Thank you for supporting SUCO Golf Day.

WHY YOUR BID MATTERS

Every auction item represents more than a prize.

Your support helps strengthen the conservation community by promoting sustainable wildlife management, supporting conservation initiatives, encouraging responsible land stewardship, and fostering collaboration across Southern Africa.

Together, we help ensure that wildlife, habitats and rural communities continue to thrive for generations to come.

ABOUT SUCO-SA

*Driving Sustainable Use for
Conservation, Communities and
Future Generations.*

The Sustainable Use Coalition of Southern Africa (SUCO-SA) is a coalition of organisations committed to the responsible and sustainable use of renewable natural resources.

Working alongside conservationists, wildlife professionals, landowners, hunters and rural communities, SUCO-SA promotes practical conservation solutions that protect biodiversity while creating lasting environmental, social and economic benefits.

OUR WORK FOCUSES ON:

- 🍃 Biodiversity conservation
- 🍃 Habitat protection
- 🍃 Community empowerment
- 🍃 Responsible wildlife management
- 🍃 Science-based conservation policy
- 🍃 Protecting South Africa's natural heritage

*Conservation succeeds
when wildlife has value to
both nature and people.*
