Attention All SAPA Members, Lion Breeders.

It has come to our attention that one of our members, Mr Pat Loots from Pamaenons Safaris, has been scammed by Mr Danie Appelgryn (cell 061 508 2866) from Derby Safari's (2016/447311/07) by marketing 3 x lion males to Mr Loots.

Mr Loots had to pay a R50 000 deposit to secure the lions. When permit applications was done, Appelgryn used another member, Mr.Jannie van Deventer's, permits. All evidence was presented to SAPA.

When Mr Loots wanted to collect his lions, Mr van Deventer did not know anything about this transaction.

SAPA has contacted Mr Appelgryn, he promised to re-imburse Mr Loots on various occasions and up to now it did not happen.

Purpose of this notice is to warn all in the industry about Mr Appelgryn's conduct should you do business with him or his Company Derby Safari's.

Mr Appelgryn was given 14 days to rectify this situation, but ignore contact and phone calls. SAPA will assisit Mr Loots to prosecute.
